

Ranger Sue says take some Easter snaps

EASTER PHOTOS

Enter our Easter themed photography competition!

There are 2 rules: your frame must be in the photo and there must be an Easter theme. Your photo can be of real things or something you've made. To enter email wccp@dover.gov.uk. Please put 'Green Gang At Home' as the subject and include your name and age. Deadline for entries 16th April 2020. The winner will have their photo posted by us next weekend. Good luck!

WHAT YOU NEED

- Ask an adult for a camera or phone
- Sticks
- String and glue/sticky tape

MAKE

1. Find 4 sticks about 30cm long (or you could use wooden spoons). Lay the sticks in a square and use string to tie the corners together. A lashing knot is best. To learn about different knots why not visit the Scout Association website.

2. Find fun things to stick to the outside of your picture frame (leaves, flowers, cut out shapes...). Remember not to cover the middle part of your frame.

LEARN

1. Can you name the hole in the ground where a rabbit lives?
2. What is the name of the place where lots of rabbits live?
3. What do you call: a male rabbit? a female rabbit?
4. WCCP and RMCP look after 2 special nature reserves named after the rabbit burrows found there. Can you name them?

DO

Take your picture frame and a camera and go on a photo shoot! You can either hold the frame up, lay it on the ground or why not make your own picture and frame it.

Enter your best photo in the WCCP Easter Photography Competition! See above for rules and how to enter.
